SURYA  **SKILLS**

SURYA WIRES PRIVATE LIMITED

“Arise,
awake and
stop not
till
the goal
is reached...”

MISSION

- ▶ To offer enriching learning experiences to aspiring managers.
- ▶ To enable them to realize their full potential.
- ▶ To ensure that they serve as agents of continuous improvement and change.
- ▶ To encourage entrepreneurship and service.
- ▶ To extend the frontiers of knowledge in management through cutting-edge research.
- ▶ To disseminate knowledge through a portfolio of educational programs and publications

VISION

- ▶ A passion for academic excellence
- ▶ Uncompromising human values
- ▶ A sensitive social conscience
- ▶ An abiding commitment to improving the quality of life in organizations and society
- ▶ Integrity

To impart vocational guidance, expertise and training for sustained development, in empowering and creating employability; to the emergency affected, underprivileged and marginalized community over 20 million people in India by 2025. To supplement formal schooling to children and youth with subjects relevant to their protection, well being and psychological needs in a conducive motivated environment.

To carry out development of a new strategic framework for skill development for the school drop-outs and existing workers especially in the informal sector in close consultation with industry, micro enterprises in the informal sector, State Governments, experts and academia.

Accelerating the march towards globalization, educational programmes are conducted with support of the Human Resource Ministry of the State/Central Government to impart adult literacy and culture is developed.

ABOUT **SURYA SKILLS**

Surya Group is a diversified business group operating primarily into Manufacturing, Constructions, Refractories, Iron and Steel, Minerals with 6 manufacturing units. We are based at Raipur, state Capital of Chhattisgarh. Surya Wires, established in the year 1983, having a strong clientele with companies like BSNL, Indian Railways, All major construction companies and Electricity Boards across India.

ABOUT **UDAAN**

Surya Skills, a special initiative of Surya Group, aims at imparting placement linked skill training in key growth sectors. Surya is proudly associated with NSDC -UDAAN, a special initiative for J&K youth.

Udaan, the Special Industry Initiative (SII) for J&K is funded by Ministry of Home Affairs and implemented by National Skill Development Corporation (NSDC). The programme is a part of the overall initiative for addressing economic issues in J&K. While steps are being taken by the State and Central Government to revive economic activity in J&K, Udaan programme is a special initiative to address the needs of the educated unemployed in J&K. Udaan program is focused on youth of Jammu & Kashmir (J&K) who are graduate, post graduate and three year diploma engineers. The aim is to provide skills and job opportunities to the youth. Simultaneously, the aim is also to provide exposure to corporate India towards the rich talent pool available in J&K.

JOB ROLES

◆ **CONSTRUCTION LABORATORY ASSISTANT**

Qualification - B.E./ Three year Diploma in Civil/ B.Sc.

Laboratory Testing in Construction Industry is the specialized sub sector pertaining to the testing of all construction related materials and activities. The job of a laboratory assistant is made up of a wide range of activities including aspects of testing, design and quality control of construction materials.

◆ **ASSISTANT MAINTENANCE MANAGER**

Qualification - B.E/Three year Diploma in Mechanical/ Electrical/ Electronics/ Graduate

Maintenance is an important factor in quality assurance. Beyond just The following are some of the learning objectives of assistant maintenance manager course are: Cost Consciousness, Dependability, Initiative, Judgment, Organizational Support, Planning/Organizing, Problem Solving, Project Management, Professionalism, and Quality.

◆ **ASSISTANT PROJECT MANAGER**

Qualification - Graduate in any discipline

Assistant Project Manager Course focuses on people skills rather than a methodology. It will help you create productive teams, diffuse conflict, get quicker buy-in and use effective delegation to move projects forward. There are many numbers of good project management processes out there but, as always, a process is only as good as the people running it.

◆ **CAD-CAM OPERATOR**

Qualification - B.E/ Three year Diploma in Civil/ Mechanical/ Production/ Computer

Computer Aided Design/Computer Aided Manufacturing (CAD/CAM) operator uses computer hardware and graphics software to generate design drawings. CAD equipment enables operators to quickly design and produce very accurate and realistic images of leather goods to be manufactured.

◆ ASSISTANT PRODUCTION MANAGER

Qualification - B.E/ Three year Diploma in Civil/ Mechanical/ Production/ Graduate

This course considers the operations from a managerial perspective. We will consider key performance measures of operations (productivity, quality and response time) as well as important concepts for improving the performance of operations along these dimensions.

◆ QUALITY INSPECTOR

Qualification - B.E./ Three years Diploma in Mechanical/ Electrical/ Production/ Civil/ B.Sc.

Quality control inspectors make sure that products meet standards of quality and safety. Candidate learns how to choose the materials used in a product, mass production of the product and test the product's compliance with quality control standards. Additionally, candidate learn to track how these products perform in the consumer market and how to package and transport products in optimal ways.

◆ PROCESS MANAGER

Qualification - Graduate/ Three years Diploma in Mechanical/ Electrical/ Production/ Civil

The primary objective of this course is to learn to apply the concepts and techniques of business process analysis and improvements as building blocks for all operations improvement strategies. Candidate will learn how to analyze and improve business processes in different contexts, and using different process improvement tools.

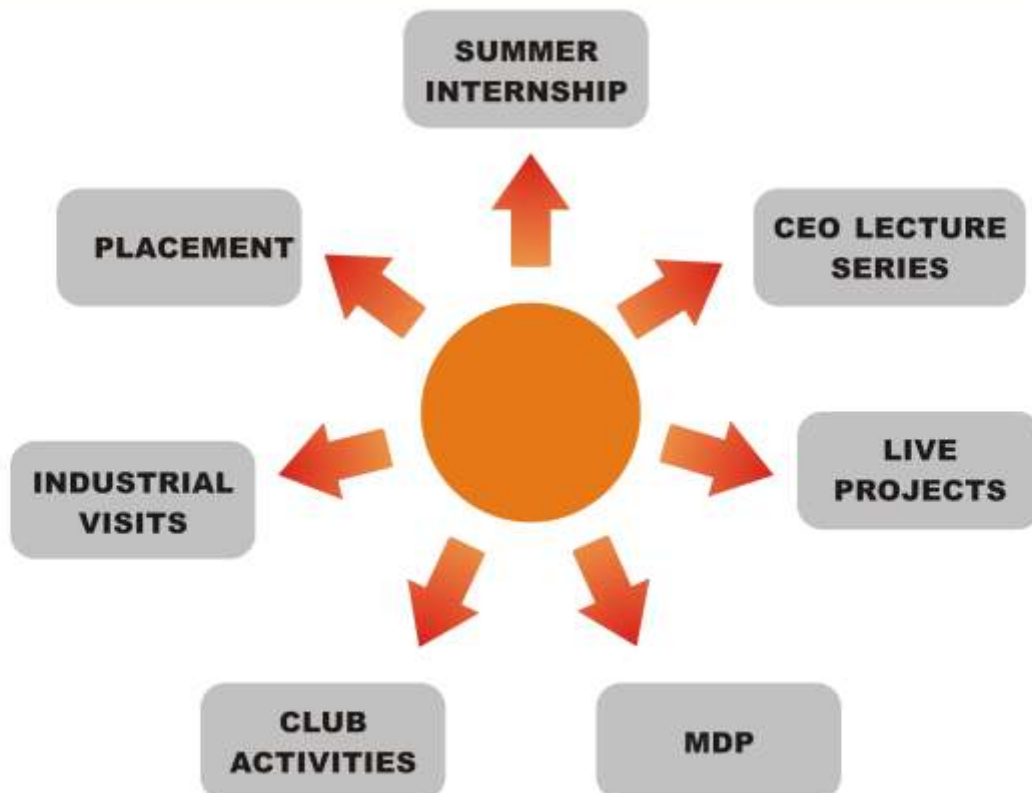

TRAINING AND PLACEMENT DIMENSIONS

STUDENT TESTIMONIALS

I am Sahil Lochan NSOC UDAAN Trainee Batch Surya Skill set training under Surya Skills.

All the training given by Surya Skills was satisfactory for me. I would like to say thanks to Surya Skills as well as NSOC UDAAN for giving me a good job.

Thanks Surya Skills, I will try to teach with you people and keep you updated on my future prospects and also give an commitment if called for alumni meet I will be there.

Sahil Lochan
NSOC UDAAN
Trainee

Experience Under Surya Wires:

Surya wires a project under NSOC is a platform for unemployed educated youth where they can be awarded by the skills and knowledge before entering in the Surya wire I don't have any practical knowledge, which I have got from there.

I have got the practical experience on the autoland, Revits and stand Pro.

All the trainees were better experienced and having good knowledge and they interacted with us friendly. OJT was provided where we got some field knowledge about construction of building, all the administration was properly managed e.g. fooding, transportation etc.

Job Placement: I am very pleased and excited after getting the job. Thanks to Surya Skills and Udaan for providing me the job.

Date: 27-01-2016

Sajid-Ur-Rehman

Sajid-Ur-Rehman

I Deepak Raj, a book graduate in mechanical engineering. He joined Surya Wire Pvt Ltd Rupsa (CG) which is associated company with the scheme udam on 27 Dec, 2015. After today on 27 Jan 2016 I'm done with the six months training programme. It was extremely good experience to being a part of udam. Coming to the learning section, I've learned alot out of the educational programme and I'm pretty sure that it would help me in shaping my future ahead.

Apn far mat. Coming to the job opportunities we didn't get any interview round up though the six months period. I being in this Area Surya wire needs improvement. Whether we not our same batch candidates have got the job.

Deepak Raj

Deepak Raj
Rupsa
27/01/2016

Experience under Surya Wires (P) LTD :-

In Surya wires I have learnt many things. Before entering in the surya wires I don't have practical knowledge which I have got here.

I have got knowledge about how to manage the staff in the company how and administration is done. By own OJT I have learnt practical knowledge my civil line or civil field.

Job Placement :-

After getting job I feel excited to join my first job and build my career utilizing this skills I have.

Thank's Surya Wires (P) Ltd and NSOC Udaan for helping in starting my career.
